Crystals for Cancer Season

All crystals have their own healing properties & even if it is not your birth season, crystals are useful at any time you need them. Today we are looking at the best crystals for people born under the sign of Cancer.

1. Moonstone

Moonstone is the best crystal for the emotional water signs, Pisces, Cancer & Scorpio. As this crystal is connected to the Moon it is perfect for Cancerian's.

The energy of this stone illuminates truth & helps you tap into your intuition - this stone is known to help the wearer to feel balanced, nurtured & connected to the truth.

2. Rose / quartz

Rose Quartz is a positive crystal, enhancing emotional intelligence bringing a lighter feeling to your heart Chakra, helping you to heal old wounds. This is an excellent stone for balancing the sensitive Cancerian when they are feeling a little intense in matters of the heart.

3. Carnelian

This is a stone of vitality & is a perfect choice for the sign of Cancer; it is perfect for balancing any heavy emotions. Carnelian boots energy levels & helps to you to focus on the present & strengthens the Root Chakra & the Sacral Chakra.

4. Amethyst

This beautiful crystal is brilliant for periods of stress – it alleviates the feeling of anxiety, bringing you back to a sense of calmness. The wearer will feel a sense of spirituality & mental clarity.

5. Blue Lace Agate

Blue Lace Agate is the perfect stone to help Cancerians express their selves as it is known to open the Throat Chakra. This is a soothing crystal & is perfect for sensitive signs. By wearing this stone it will help promote inner peace & healing.
