

Julie's Tarot Reading Intermediate Course Outline

Introduction

If you are new here then hello & welcome, you will find this course in depth, practical & you will leave with lots of insight.

You will receive the lesson plan the evening before the lesson day & the course material & any extra material via email the day after the lesson.

For those students that completed the basic course welcome back, you are amazing and I am so glad you chose to return for another course, having mastered the Basics of Tarot, now you will grow your confidence, knowledge & your intuition further.
